

3rd International conference

Web site: www.benainfo.net/gredit

Conference dates: **22nd March – 25th of March 2018**

Venue: **SKOPJE**, St. Cyril and Methodius University, Technical Campus

Submission deadline: 30 January 2018

The conference will include: Book of Abstracts, Oral presentation, Posters and Round tables.

Selected papers from the conference will be published in: Journal of Environmental Protection and Ecology (Thomson Scientific), Mechanical engineering – Scientific Journal, International Journal of Sustainable Agricultural Management and Informatics and other journals. Full papers that will not be selected for publishing by the Journals will be published in Extended Proceedings of the Conference. Conference awards: Best presentation award (1st, 2nd and 3rd). Best presentation by Young scientist.

The conference early fees are: 110 euro for first author; 70 euro for accompanying person; 70 euro for students. Fee at the venue is 130 euro. Fees include tourist excursion with cultural event in Skopje, including meals during 2 days event of the conference and official diner.

The aim of the **GREDIT 2018** international conference is to contribute to sustainable development in a multidisciplinary way, exploring the following topics:

- Air – water – soil pollution
- Risk assessment
- Sustainable development, Renewable energy resources and management of natural resources
- Agriculture, Forestry, Agro ecology, Food Quality safety
- Management of urban and industrial waste and waste water
- Climate change – biodiversity – Energy efficiency
- Green smart cities/societies – green architecture, landscape design and transport
- Health and Environment
- Legal framework – GIS and remote sensing control
- Bionic alternatives for environmental protection

Round tables: Unregulated landfills, Urban Air Pollution

Organizers:

University of St. Cyril and Methodius in Skopje, Faculty of mechanical engineering, Faculty of electrical engineering and information technologies, Faculty of technology and metallurgy, Medical faculty; Balkan Environmental Association BENA; Chamber of certified architects and certified engineers; Pakomak Skopje; Research and development center – fuels, engines, lubricants FUEL; 6th Star;
